

Magic Vario

– the all-rounder with a “click”. Multi-functional for pocket and flap mops.

This multifunctional flat mop head with side flaps is unique in the world and is brimming with innovation and ergonomics. The Magic Vario saves you time and money thanks to its many practical details, and continues to look after your health.

Unlike any other folding head on the market, the Vario has a unique patented upright function allowing it to be set down anywhere in the room at any time without leaning it against the wall or other objects. Your staff will not have to move around so much on a daily basis, and also gain in terms of safety by avoiding dangerous trip hazards and, as such, any resulting workplace hazards. This also does away with unnecessary streaks or marks on the wall, and bending down is reduced significantly.

Excellent weight distribution makes the Vario extremely versatile, enables quick wiping even on areas with lots of furniture, and ensures a large area can be covered. Excellent workmanship and an optimum balanced weight guarantee perfect operation and effortless working.

Professional Cleaning Equipment

	Item no.
MAGIC VARIO 40 cm (10 pieces)	301.128

Revolutionary 'SKI' principle

In order to guarantee a perfect finish and even wiping pattern, a revolutionary 'ski' principle was used that ensures that the tension is evenly distributed across the entire width with the same pressure on all surfaces.

- 1 Flexible**
The particularly smooth rotating joint enables easy pivoting in all directions and angles.
- 2 Simple**
The folding head is extremely easy to open with the 2-stage foot pedal.
- 3 Optionally** in 40 or 50 cm width.
- 4 Everyday help**
Thanks to the innovative spread of the isosceles-shaped head, pocket mops can be stretched conveniently and in a vertical position.

*You will find a selection of the various pocket mops on page 96 - 101.

- 5 All-rounder:**
The Magic Vario is suitable for all types of pocket and flap mops. Flap mop heads are always held securely in place by the flaps.
- 6 Comfortable:**
Press the cover out without touching it.

- 7 Optional:**
Telescopic handle with economic grip for secure purchase, even with gloves. Quick release for easy height adjustment. Item no. 301.037
- 8 Perfectly balanced:**
Extremely versatile and smooth folding head.
- 9 Ingenious:**
The Magic Vario can be set down anywhere in the room at any time. The patented upright function is tested to 10,000 ratchet operations.
- 10 Hygienic:**
When nearly completely closed, the Magic Vario is extremely easy to clean.
